

Lämneå Bruk AB

A passion for service.

## We Listen To Our Customers

Do you have an idea? Tell us and we will turn it into the best solution according to your **specific requirements**.

# Engineering Perfection

Lämneå Bruk's mission is to build high-quality, innovative and efficient **machine solutions** for maximum benefits and profitability for our customers. We offer machines for the complete manufacturing process of **Welding, High and Low Carbon** as well as **Stainless Steel Wire**.

## From Sweden To The World

We are in control over the **entire production chain** and take responsibility for EVERY part of the machine! Electrical design, programming, manufacturing of the machine and control cabinet assembly is all done on-site in Sweden.

## Outstanding Customer Service

We live our slogan "**A passion for service**". Lämneå Bruk takes pride in offering excellent customer service before, during and after sales.
