

The background of the entire page is a photograph of a welder in a dark blue protective suit and a yellow and black helmet. The welder is focused on their work, with a large volume of bright orange and yellow sparks erupting from the point of contact between their tool and the metal. The scene is set in an industrial environment with a textured, reddish-brown wall in the background. A semi-transparent dark red horizontal band is overlaid across the lower half of the image, providing a backdrop for the company profile text.

COMPANY PROFILE

INTRODUCING WELDFAST UK
