Zhouxiang Group is established in 1991, covers an area of more than 100,000m<sup>2</sup>, fixed assets CNY200 million, with more than 400 staff, including 100 resreacher, 20 Doctor and Master, and several domestic and foreign industry experts and returnees staff. Zhouxiang is a high-tech enterprise which combines science and technology, industry production and trade into one, took the lead in the adoption of ISO9001:2015 quality

management system certification, CE certification, etc. The company is located in Wuxi, the key city of the Yangtze River Delta, which is adjacent to Shanghai and has a unique production and sales advantage. The key members of Zhouxiang Group are Wuxi Zhouxiang Complete Set of Welding Equipment Co.,Ltd and Wuxi Zhouxiang Laser Machinery Co.,Ltd

Wuxi Zhouxiang Complete Set of Welding Equipment Co.,Ltd mainly research, manufacture and sell products like H beam production line, Box beam production line, Welding manipulator, rotator, CNC flame/plasma cutting machine, Edge milling machine, CNC drilling machine, Plate rolling machine, Wind tower production line, Press braker, Shearing machine, etc. It is one of the biggest professional bases for large-scale welding equipment in China. These products are widely used on ship/car building, marine engineering, military machinery, engineering machinery, chemical machinery, petrochemical equipment, environmental protection equipment, power tower, wind tower, nuclear power, boiler, building and steel structure

Wuxi Zhouxiang Laser Machinery Co.,Ltd is engaged in researching, production and sales of laser cutting, welding, cladding, quenching, 3D printing, and flexible production

line. Main products have medium/high power CO2 laser cutting machine, Fast fiber laser cutting machine, Fiber laser tube cutting machine, 3D robotic laser cutting and Robotic arc welding center. Our core technology has won more than 30 national patents and software copyrights, providing high quality laser solutions and services for domestic and overseas market. These products can be widely used in automobiles, aviation, iron and steel industry, ship building, new energy, machinery, electronics, sheet metal processing and other industries.

Zhouxiang Group always adhere to the purpose of "quality first, service first, credibility first". With strong R & D strength, we provide high-quality industry application solutions and services for domestic and foreign markets, and provide a positive impetus for the development of welding and cutting industry, we have established a perfect marketing system and after-sales service system. Our products has covered all over China and exported to more than 30 countries: Europe and United States, Southeast Asia, such as Vietnam, Myanmar, Malaysia, Indonesia and Philippines etc; South Asia, such as India, Sri Lanka, Pakistan, Bangladesh etc; Middle East, such as Iran, Egypt, Iraq, Jordan, Saudi Arabia, Turkey etc; As well as Central Asia, Africa, South America etc.

After 30 years of development, Zhouxiang company has formed a complete set of enterprise department with the basis for modern mass production. Welcome our friends to visit our company in China.

Purchasing Department

Production Department

Domestic Sales Department

Technology Development Department

International Trade Department

Business Management Office

We have many high-precision, high efficiency machining center equipped with rail grinding, precision horizontal machining,flexible machining workshop,Hecket horizontal machining and other large scale professional processing equipment and advanced testing center,which are applied through the product production line.Only fine and advanced production equipment can produce sophisticated products.

Precision Boring and Milling Machine

5-axis CNC machining center

CNC molybdenum wire cutting center

CNC Steel Plate Cutting Center

Shot Blasting Machine for Cleaning Surface

Full Automatic Painting Center

Through many years of overseas exhibitions and online network promotion, Zhouxiang's products have been in the forefront of internationalization. It has become the first choice for many international customers. Exhibitions we often attend: Vietnam Ho Chi Minh Hardware Tools Exhibition, UAE Abu Dhabi International Petroleum Exhibition & Conference, UAE Dubai Hardware and Tools Middle East Exhibition, India Mumbai Essen Welding & Cutting Exhibition, Germany Essen Welding & Cutting Exhibition, Russia Moscow International Hardware Tools Exhibition, Brazil Sao Paulo International Tool and Machinery Exhibition.... etc.

Technical communication

International Exhibition

Friendly cooperation

**Zhouxiang Company Containing the World in Heart**
