

## Südmetail: Who is behind it all?

Südmetail stands for modern technology and passion in a traditional market.

As an independent family business, it is one of the market leaders in the German-speaking countries with the product ranges fittings, glass and metal construction.

Since 25 years, founded in 1995 by Jakob Persterer, the company has been a reliable partner of trade and commerce.

Today, Süd-Metall Beschläge GmbH has over 280 employees and is represented on (almost) all continents of the world.
