# EXPRESS YOURSELF GO INDIVIDUAL

Was in den 90iger Jahren begann, hat sich mittlerweile als eine der beliebtesten Marken in der internationalen Tunerszene etabliert.

What began at the 90s has now established itself as one of the most beloved rim brands in the international tuner scene.

DEVILLE INOX

Ein Label welches Qualität und Performance in einem innovativen Design vereint.  
Unser Ziel ist es, mit hochwertigen Leichtmetallfelgen Fahrzeuge individueller zu gestalten.  
Mit aktuellen Trends und der breiten Produktvielfalt bewegen wir uns am stets Puls der Zeit.

A label that combines quality and performance in an innovative design.  
our goal is to design high-quality light alloy rims for cars individually.  
with the current trends and wide diversity, we are always at the pulse of time.

RACEBOLTS - Für den Straßenverkehr zugelassen!

## NEW RACING INNOVATION FOR STREETCARS

Ein neues Produkt, hergestellt in der innovativen Schweizer Felgenschmiede! Racing-Nut oder Racing-Bolt mit gerändeltem Ring. Die Schraube, resp. Mutter ist viel griffiger als ein herkömmliches Teil und wird im Rennsport zum schnellen Radwechsel verwendet.

Schrauben und Muttern sind in verschiedensten Größen und in allen Gewindevarianten lieferbar. Die Schraubenköpfe bestehen aus hochwertigem eloxiertem Aluminium, die Schraubteile aus korrosionsfreiem Stahl.

### VERFÜGBARE FARBEN:

- BLACK
- BRONZE
- GOLD
- SILVER
- DARK BLUE
- SHINY BLUE
- GREEN
- RED
- VIOLETT
- PINK
- RAINBOW
