

Alfons Haar Hall 3 Booth D 41

The Haar Group is a global organization consisting of two different divisions with own subsidiaries in 15-countries. The machine division Sales and Service is organized in three time zones. The headquarters in Hamburg, Germany, takes care of Europe-Africa + Near-and Middle East. The Singapore office covers India and Australasia. AH Inc, the Tool and Die Center in Ohio, USA, takes care of North and South America.

We offer a wide range of sheet feed presses for all kinds of metal packaging requirements from 1-out to multi-out tooling. Based on this program we offer complete lines for 2pc cans, closures (TWIST-OFF, PRESS-ON-TWIST, PILFER PROOF), sanitary- and ezo-ends and general line.

Title of our 2017 presentation for Metpack is TOP TRANSITION of chemicals such as BADGE, BPA and PVC plasticizers.

Drawn cans made from laminated steel up to 73 x 110 mm

PVC-Free Seals

We also offer equipment for cups and bodies for necked bottles and aerosol cans, optionally for digital printing.
