

# PACKAGING COMPONENTS

FEMM

## ABOUT US

**Femm S.p.A.:** the Italian manufacturer of metal and plastic components for industrial packaging, especially **GENERAL LINE** three-piece cans, from 3 to 60 litres.

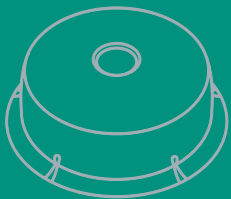

**We mainly supply to industrial manufacturers of three-piece cans for the chemical, paint, oil and lubricant industries.**

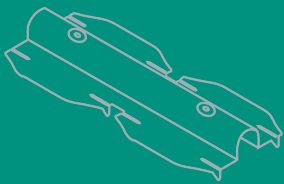

## AT A GLANCE

- **Founded in 1977**
- **2 production plants (Metal and Plastic division)**
- **4500sqm warehouse of standard products and raw materials**
- **Reliable across five continents**
- **Traceability system for each box produced to afford us prompt solutions and replacement of any possible faulty products**
- **Custom manufacturing on customer's need**

PACKAGING COMPONENTS

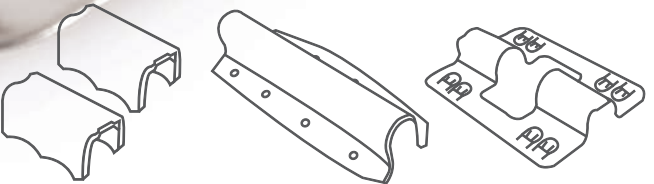

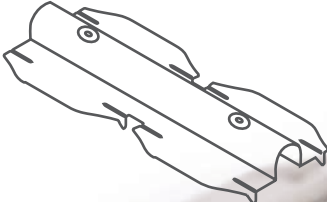

# METAL DIVISION

The background features several thick, teal-colored lines of varying lengths and orientations. Some lines are straight, while others are curved or bent at angles. The lines are set against a solid, light grey background. The overall composition is abstract and modern.
