**COMPANY PROFILE**

GITRE is a leader on the national and international market for the production and sale of metal handles and bars for packaging containers.

With the approach to the business and human resources equipped with remarkable innovative skills, GITRE decided to face a new challenge, investing in new machines for the production metal accessories for tins, plastic grips and metal rings. Total quality, complete customer satisfaction, innovation, technology and great attention to the maximum enhancement of human resources have always guided the company's strategic choices.

In addition to represent the achievement of an important company objective, the UNI EN ISO 9001 Certification obtained in 2000 has reinforced our constant commitment to the continual improvement of our performance.
