

## About Us

Established in 1997 in the scenic landscapes of Izmit, Alpertong Nursery is a family-run nursery cultivating over 65 varieties of shrubs, conifers, climbers, grasses, and perennials. Our story is one of passion and commitment, rooted in enduring values of quality and trust, ensuring each plant reflects our green legacy.

# 25 Years of Experience

Alpertong Nursery is the story of a passion that began as a hobby evolving into professionalism. Founded in 1997 by Erhan Alpertong, a Chemical Engineer, our company continues production today in collaboration with the second generation, Landscape Architect Mehmet Ziya Alpertong.

**250** Acres

**65** Different Kind

**1.5** Million Cuttings  
*(per year)*

**750** Thousand Seedling  
*(per year)*

**300** Thousand Potted Plants  
*(per year)*

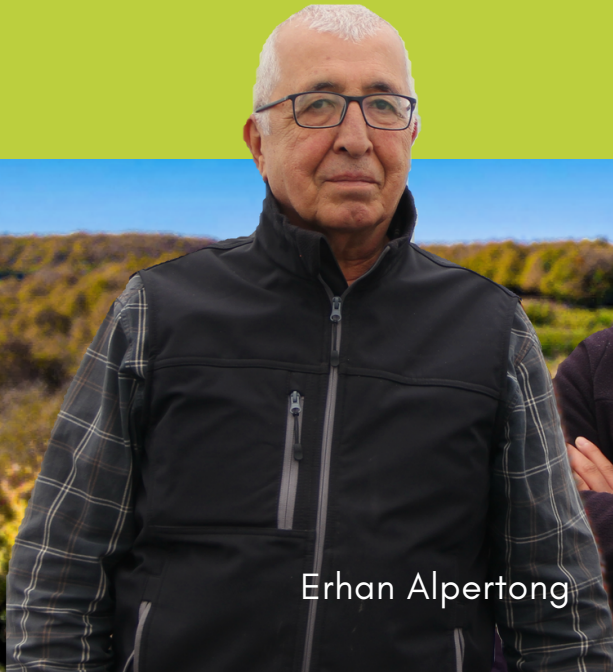

## Why & Where?

### A Green Lifestyle

Growing plants is not just a business for us; it is also a way of life. Our biggest dream is to continue this lifestyle throughout our lives by providing customers with quality products and unwavering trust. We know the importance of our production for human and planetary health and we are proud of it.

### Location

Alpertong Nursery is located in Gülbahçe Kadriye Village, approximately 65 km east of Istanbul, in Kocaeli. Situated at an elevation of 450 meters and endowed with natural water sources, it possesses favorable conditions for cultivating healthy plants.
