# ECO-FRIENDLY FLORAL PACKAGING

20  
26

## FOR A GREENER FUTURE

At Decowraps, we create **innovative, eco-friendly** floral packaging that combines beauty, functionality, and **sustainability**. Our planet-friendly materials and responsible production processes help you showcase your flowers while protecting the environment. From large-scale growers to retail chains and florists, we create **custom-made** packaging solutions that meet your exact needs. Whether it's bespoke prints, seasonal designs, or **unique shapes**. We guide you from concept to finished product. Offering sustainable, high-quality floral packaging with **tailored solutions** and expert support.

The  
Florist  
Wrap Shop

# Sustainably Packed, Presented with Style

Born from Decowraps, The Florist Wrap Shop is dedicated to providing florists with sustainable, easy-to-order floral packaging. Tailored for florists, The Florist Wrap Shop makes it easy to order small quantities of eco-friendly flower wraps. We provide premium, sustainable materials designed to enhance every bouquet. With convenience, style, and eco-consciousness at the core.

- Easy online ordering via our user-friendly webshop
- Small order quantities tailored to florists
- Sustainable materials: recycled fibres & plant-based alternatives
- Fast delivery for hassle-free service

Explore our  
florist-focused  
range today.
