

We are the largest grower and exporter of Ficus, Cycas, Sansevieria, Bougainvillea, Landscape trees, Cactus and Bonsai in China. We export more than 400 containers of all kinds of plants per year at good prices and nice quality; We have established long-term business relationships with customers all over the world.

We have 8 nurseries in Fujian Province which have been registered in CIQ for growing exported plants. We exported to Europe, Africa, South America, North America, Middle East and so on. There are more than 200 experienced workers in our nurseries and we have good experience in processing and transporting the plants to our customers.

Welcome to visit our nurseries! Choose us, choose success in importing Chinese plants!
