

Dear Customers!

Our plant nursery has been functioning more than 30 years, our supply of ornamental shrubs, ornamental trees and evergreen plants has been expanding from year to year. Our central premises are in Kecskemét, 80 kilometres from Budapest, close to the motorway M5, where we grow our plants on a 40 hectare area despite the extreme site and climate conditions of the lowlands, and in the western part of Hungary, near Szombathely on a 20 hectare area as well. In our plant nursery you can find more than 500 species and varieties.

In our catalogue you'll find net producers' prices, the actual VAT will be charged. At producers' price we can serve retailers with a written certificate, self-governments and public institutions, investors, garden and park establishment companies, nursery gardens. You can pay in cash, by credit card, or by bank transfer, in the way set in the confirmation of order.

In our shop, you can choose from a great variety of plants at consumers' price; there are fruit trees and perennial plants, annual flowers, pine bark by sack or bulk goods and other garden development equipment. You can find our actual offers on our homepage. On our premises, we sell plants, which are not included in the price list, in smaller quantities as well. If you are searching for a plant that is not included in our price list, we'll obtain it for you.

If our price list and offer have aroused your interest, please visit us personally. I hope that with the help of our experts, you can find the best solution.

We are looking forward to your inquiry and order;

Best regards
