# About Us

## To Innovation, To Future, To Ustainability

ÖZ-KA Vacuum Plastik was established in 1997 in Istanbul. Since its establishment, it has continuously increased its principled and reliable service quality without compromising its customer-oriented service approach. It has proven to be special rather than standard for its clients.

Our company provides services in many sectors such as packaging, agriculture, food, textile and shoe sub-industry with its wide and optional machinery, experienced team and quarter-century of experience. It has adopted an innovative and sustainable production approach as its principle.

We are expanding our capacity and product range with the P-BOX® brand, which we have implemented in order to increase the added value of our products and to register their quality. With our other brand ÖZ-KA Studio®, we enable the production of innovative and personalized products.

We are proud of having an environmentally friendly and recyclable production approach by incorporating national and internationally respected certificates in our company, which produces in international standards. We contribute to the country's economy and nature by leading the recycling and recycling of plastics to the economy.

We are working with all our stakeholders to build a more livable world with the added value we produce for our country and humanity on this road that has the technological competencies of the age and walks hand in hand with nature.

# Hakkımızda

## Yeniliğe, Geleceğe Sürdürülebilirliğe

ÖZ-KA Vakum Plastik 1997 yılında İstanbul'da kurulmuştur. Kurulduğu tarihten bu güne kadar müşteri odaklı hizmet anlayışından ödün vermeden ilkeli ve güvenilir hizmet kalitesini sürekli arttırmıştır. Müşterileri için standart olmaktan öte, özel olduğunu kanıtlamıştır.

Firmamız geniş ve opsiyonel makine parkuru, deneyimli ekibi ve çeyrek asırlık tecrübesi ile ambalaj, tarım, gıda, tekstil ve ayakkabı yan sanayi gibi pek çok sektörde hizmet vermektedir. Yenilikçi ve sürdürülebilir bir üretim anlayışını kendine ilke edinmiştir.

Ürünlerimizin katma değerini arttırmak ve kalitesini tescillemek için hayata geçirdiğimiz P-BOX® markası ile kapasite ve ürün çeşitliliğimizi genişletmekteyiz. Bir diğer markamız ÖZ-KA Studio® ile de yenilikçi ve kişiselleştirilmiş ürünlerin üretimine imkan sağlıyoruz.

Uluslararası standartlarda üretim yapan firmamızda ulusal ve uluslararası saygın sertifikaları bünyemizde barındırarak çevre dostu ve geri dönüştürülebilir üretim anlayışına sahip olmanın gururunu yaşamaktayız. Plastik geri dönüşümüne ve ekonomiye yeniden kazandırılmasına öncülük ederek ülke ekonomisine ve doğaya katkıda bulunmaktayız.

Çağın teknolojik yeterliliklerine sahip, doğa ile el ele yürüdüğümüz bu yolda ülkemize ve insanlığa dair ürettiğimiz katma değer ile daha yaşanabilir bir dünyanın inşası için tüm paydaşlarımızla çalışıyoruz.
