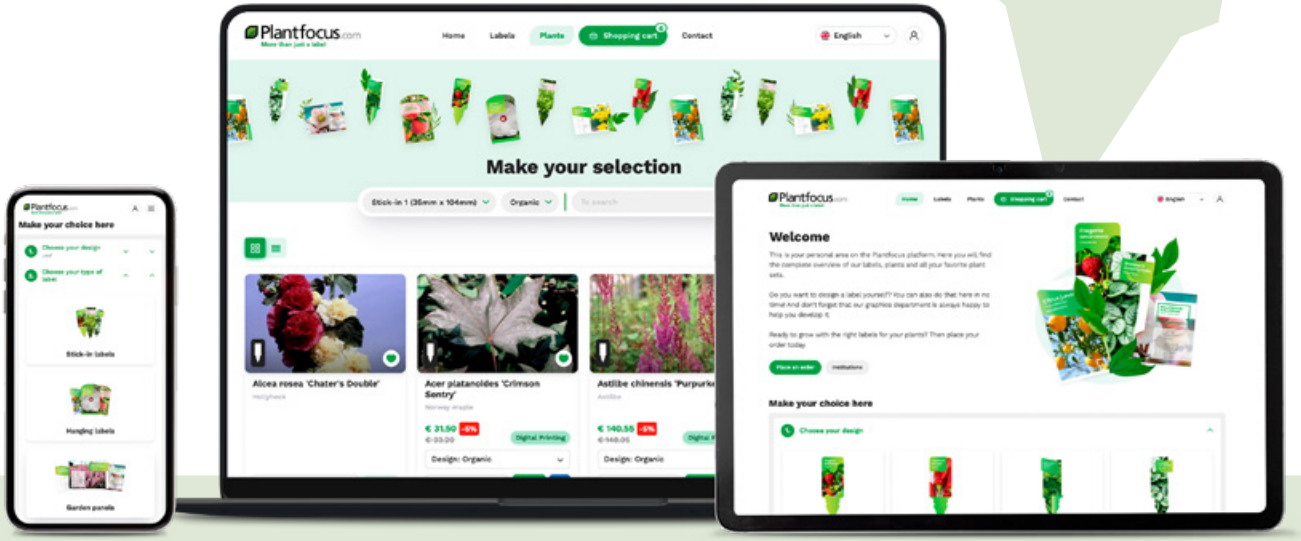
- Strawberries

CHECK OUT OUR NEW ONLINE SHOP



Plantfocus.com has specialised in designing, printing and delivering plant labels for more than 20 years. Standard or fully personalised.

How to order your plant labels at Plantfocus.com.

1. Go to www.plantfocus.com to **create your account**.
2. You receive an **email with a link** and, for added security, a text message with a **verification code**. First simply enter this code.
3. Click the link to **log in** with your login and password.
4. **Create your label and order**: select a design, choose the format and size, determine the details and images you want to have on your label and add your own logo as needed. Ready? Confirm your order.

Like some help designing your labels? Our graphic design department is there to assist you.
